O**

This tax organizer has been prepared for your use in gathering the information needed for your 2024 tax return.

To save you time, selected information from your 2023 tax return has been entered in this organizer. Please line through any information that does not apply to your 2024 tax return.

REMOVE THIS SHEET PRIOR TO RETURNING THE COMPLETED ORGANIZER

January 2025

Dear Client,

Enclosed is your tax organizer for the 2024 filing year. Please complete the information as soon as possible and return it to us along with all supporting documents. To save you time, selected information from your 2023 return has been entered within this organizer. These amounts are for comparison purposes only. You do not need to change these prior year amounts. Please line through any information which does not apply to your 2024 tax return.

In order to ensure your return is completed by the April 15, 2025, due date, we request that your tax information be submitted to us on or before March 15, 2025, however we would appreciate receiving your information as early as possible.

E file

When we prepare your returns, we are required to e-file each return unless it does not qualify. We will let you know if you do not qualify upon completion of your return preparation.

Direct Deposit

If you have chosen Direct Deposit as a method of refund in the past, your account information is on **Form 4A** of your organizer, please verify that this is still correct. Attach a voided check to the front of your organizer so we may obtain your account information if you are new to Direct Deposit or wish to use an account different from the prior year.

Portal

If you are currently receiving paper copies of your information from us and would like to begin receiving a digital copy of both your organizer and your tax return, you can sign up for our Portal, which is free of charge to all clients and provides a safe, secure place to log on and view all of your personal financial data we provide. It operates like online portals a bank would establish for you to view your account information. **The web address to launch the Portal is <https://www.clientaccess.com>. There is also a link to the Portal on our website.**

If interested, please call our office and ask for Stacey Helder and she will set up a portal for you.

Head of Household

If you are claiming head of household, we will need a written statement indicating your child(ren) lived with you greater than 180 days during 2024 (this includes time at college).

Personal Information for Efiling

In order for your returns to be accepted by the government, they are put through a series of checks and balances by the IRS' computer system. Therefore, we need you to complete and verify the following on your organizer:

Spellings of ALL names on the tax return must EXACTLY match those on your social security cards, this includes dependents. Your Social Security number is listed as "on file" for fraud prevention purposes and is in our system as the same number that printed on your prior year return.

Each return MUST have the full birth date of all taxpayers and dependents.

We will be using the same PIN number as used before. If you are a new client and did not e-file with us last year, we will be assigning your PIN number as the first five digits of your social security number. This PIN number does not provide anyone with access to your personal information; it is just for our records. **If you received an Identity Protection PIN (six-digits) from the IRS, please include your 2024 PIN on Form 3.**

If you are claiming a dependent that could be filing a return and possibly claiming themselves, please verify they have not claimed themselves to avoid difficulty and delays in getting your return filed and accepted. If you have a refund coming, an issue such as this could delay your refund as much as 6 months.

ENGAGEMENT LETTER
MUST BE SIGNED BY BOTH SPOUSES AND RETURNED WITH ORGANIZER

Dear Client:

This letter is to confirm and specify the terms and objectives of our engagement with you and to clarify the nature and limitations of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your 2024 federal and applicable state and city income tax returns from information which you will furnish to us. This engagement letter does not cover the preparation of any financial statements, which if we are to provide, will be covered under a separate letter. However, if there are any other tax returns you expect us to prepare, such as gift and/or property, please inform us.

We are not investment counselors or brokers. Our advice concerning a particular investment shall be limited to advising you with regard to the tax ramifications of the investment based on documents and information that you provide us regarding the investment.

Completing the organizer will assist us in making sure you are well served for a reasonable fee. We will not audit or otherwise verify the information you submit; however, we may ask for clarification of some information.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign the returns or the required e-file authorization form.

In addition, there are certain reporting requirements for having a financial interest in, or signature or other authority over, bank accounts, securities, or other financial accounts in a foreign country. It is your responsibility to notify us of your foreign assets or affiliation to determine filing requirements.

If you report earnings on a **Schedule C or Schedule E**, you are responsible for the safeguarding of assets, the proper recording of transactions in the books of accounts, the substantial accuracy of the financial records, and the full and accurate disclosure to us of all relevant facts affecting the returns.

During 2020, 2021 and 2022 there are several stimulus credits, grants and benefits from various programs provided at the federal, state, and local levels including but not limited to the Paycheck Protection Program (PPP), Employee Retention Credit (ERC), and Health and Human Services benefits. You acknowledge that it is ultimately your responsibility to identify, apply for and report on any and all stimulus credits, grants and benefits that are available and hold Bredeweg & Zylstra, PLC and its owners and employees harmless regarding any and all claims on eligible stimulus programs of all types for 2020, 2021 and 2022, and any subsequent years, including but not limited to applications, compliance and reporting after these dates for programs in place during these years.

Effective January 1, 2024, you are responsible for compliance with the Corporate Transparency Act (CTA), if applicable to your business (including single-member LLCs), and for ensuring that any required reporting of beneficial ownership information (BOI) is timely filed with the Financial Crimes Enforcement Network (FinCEN), as required by the CTA. Assisting with your compliance with the CTA, including BOI reporting, is not within the scope of this engagement. We are not responsible for advising you on your compliance with the CTA, nor are we responsible for the preparation or submission of your BOI reports to FinCEN. We encourage you to consult competent legal counsel if you have questions about your compliance with the CTA's BOI reporting requirements. New entities starting after January 1, 2025, have 30 days to report.

You should retain all documents, canceled checks, and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You should also retain the client copy of all of your tax returns.

We may use outside datacenter hosting services to store and process data using cloud and/or remote technology and you acknowledge approval of our firm using and engaging such services and capabilities from third party providers.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. The returns will be prepared solely from information provided to us without verification by us. Consequently, our communications cannot be used to avail applicable Internal Revenue Service penalties (Circular 230).

We employ a secure client portal as part of our services to transfer confidential information. The portal uses encrypted connections to securely transfer files from and to us. If you have elected to use our portal, we will upload your tax returns when they are ready for review and provide you with login information to permit you access to the portal.

Your return(s) may be selected for review by the taxing authorities. In the event of an audit, you may be requested to produce documents, records, or other evidence to substantiate amounts and information shown on a tax return. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of a tax examination, we will be available, upon request, to represent you. However, such additional services are not included in the fees for preparation of the tax return(s).

Our fees for these services, and any additional tax and accounting matters that you require, will be billed based on the time spent on the engagement, the expertise and staff level of individuals assigned, and the type of work performed. All invoices are due and payable upon presentation. If you have minor children who are required to file federal or state income tax returns because of earned or investment income, we will prepare these returns based on the information you provide, generally for a fee of \$75 - \$100 per child.

Either party has the right to withdraw from any portion of the engagement at any time with written notice. You agree to compensate us for our fees through the date of withdrawal.

By signing, you are authorizing our firm to distribute to you periodic correspondence on our services and tax and accounting updates.

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. Please return a signed copy of this letter with your completed organizer.

Electronic Filing:

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. The IRS has implemented an electronic filing mandate requiring certain preparers, including this firm, to file all returns that they prepare electronically. Some states also require certain preparers to electronically file state returns prepared. The IRS and some states allow taxpayers to elect not to file their returns electronically.

Do not electronically file the federal return

Do not electronically file the state return(s)

Note: The IRS and some states that require returns to be electronically filed also impose fees and/or penalties for failure to do so. If you checked either of the boxes above, you may be required to sign an "opt-out" form before we can release your returns. As a follow-up we will contact you to discuss these requirements and your ability to "opt-out" of electronic filing.

The IRS requires, and many states allow, the use of a Personal Identification Number (PIN) in lieu of mailing a signature document when electronically filing.
